

A. HELMETS

1. Helmets are REQUIRED IN ALL CLASSES at ALL Speed and Drag Race Events.
2. Helmets must be SNELL Foundation certified, either "SA" (automobile) or "M" (motorcycle). A SNELL foundation rating of "K" (kart) is not allowed. A DOT approval is not sufficient without the SNELL certification.
3. SNELL ratings are updated every five (5) years (i.e., 1995, 2000, 2005, 2010, etc). The rating dates for legal helmets must fall within the last two testing cycles.
4. A helmet from the second previous testing cycle is also allowed if it is SNELL certified and has a manufacture date less than ten (10) years old. e.g., in the year 2008, SNELL ratings of SA2000 or M2000 and SA2005 or M2005 will be legal. In addition, a SA1995 or M1995 helmet with a manufacture dates during 1998 and 1999 would be legal until they exceed 10 years of age.
5. The Chief Technical Inspector reserves the right to prohibit any helmet because of excessive wear, damage, or improper fit.
6. It is the responsibility of the host club to ensure that all competitors use approved helmets.
7. When a competitor owns his/her helmet, it is suggested that the driver's name, birthdate, blood type, allergies, date of last tetanus, and any other essential medical information be affixed to the back.
