*RE: Opportunities to assist Painesville Salvation Army!*

*Hi Ken,*

*It is so good to hear from you again!*

*Also, I have just started collecting school supplies for our Aug. distribution. I have attached the collection flyer to this email. We will need enough supplies for about 2,000 children. Feel free to pass the flyers on to anyone you think may be interested in helping us with a donation or a school supply drive. I can print flyers for you if you need them.*

*I am in need of volunteers to take school supply applications over the phone during the month of July. I schedule 2 shifts M-F from 9-12 or 12-3. I will need several volunteers for that.*

*We will be organizing all of the supplies in the gym the week of July 25-July 29. Then we will be packing the backpacks the week of Aug. 1-5. We will be distributing the backpacks to the families on Aug. 6. Let me know if anyone is interested in helping. I will start scheduling volunteers soon.*

*I am also planning our summer day camp right now so if you have any members who like to do crafts or have hobbies they would like to share with the children. I would love for them to come and do that. I am always looking for trips to take the children on to give them new experiences too.*

*We always love to take the summer camp children fishing. Many of them have never been fishing. We can always use an extra set of hands for that day. We usually take them to Veteran's Parks in Mentor. Almost all of the children catch a fish. I can let you know what day we schedule that for.*

*I can let you know if we have other opportunities that come up as well.*

*Thanks again for everything!*
